# Les Granges d'en Haut

## LES HOUCHES, FRANCE

Private chalet living with hotel back-up in the twinkly twinkly village of Les Houches, where the skiing is easy enough for beginners (children strut) and hard enough for the hardcore. Les Granges d'en Haut is the stunning new place to stay. Ski all day or hole-up in the deep calm of the spa, with pummelling massages using organic products by Dr Hauschka, body treatments by Comfort Zone, a great pool and cosy sauna and yoga on a terrace overlooking the brightest blue skies and Mont Blanc. Stay in one of 14 chic chalets with four bedrooms, open fires, a kitchen and sauna; there's daily cleaning, private chefs, a stylish restaurant and nannies on call. Les Houches is 15 minutes from Chamonix, but so much prettier. For the ultimate hit, hire the whole place with friends. **Website** [grangesdenhaut.com](http://grangesdenhaut.com). **UK reservations** JC Journeys (tel: 01886 812862). **Rates** Chalet, from £1,075, with a minimum three-night stay. ▷
